## I Am One With You

I looked beyond my circumstance.  
And prayed to a God in the sky.  
But only silence answered me  
and never told me why.  
Then one day, the answer came to clear my mind.

Closer am I, than the breath that you breathe.  
These are the words, spoken to me, in a dream.

My precious child, you need not call me  
as if I'm in the sky. I am the heart and soul of you.  
I am the reason why. Look around, I am everywhere.

Closer am I, than the breath that you breathe.  
These are the words, spoken to me.

I am one with you. You are one with me.  
And together we're all as one you'll see.  
I am one with you, and I know what it is that you need.  
I am the one in all.

So look beyond your circumstance,  
and not to a God in the sky.  
Closer am I than the breath that you breathe.  
I am the reason why.  
Look around, I am everywhere.

Closer am I, than the breath that you breathe.  
These are the words, spoken to me.

I am one with you. You are one with me.  
And together, we're all as one, you'll see.  
I am one with you and I know what it is that you need.  
I am the one in all. I am the one in all. One in all.
