Intro   2x (C# G#m B F#)

```
              C#        G#m       B     F#                  C#       G#m      B  F#
Verse 1       Sixteen,      such a time, what can I say to you, my darling Noelle.
                      C#           G#m      B                    F# G#
              There's so much coming fast. Be careful where you go.
                        E           C#    E    C#                  E
Chorus 1      And don't forget who you are. A spirit that shines so bright.
                        C#         F# G#sus G# E        F#G#susG#  E            C#
              No matter where you are,         you're a shi------ning star, yes you are.

               C#        G#m       B     F#                        C#
Verse 2        Choices,      that you'll make. Some gonna work, some won't.
                    G#m        B         F#
              And you should forsake 'em.
              C#        G#m          B     F#                          G#    E
              Chances,     you're gonna take. Watch what you're doin' now.
                                C#        E    C#                 E
Chorus 2      And don't forget where you are. It's easy to lose ones way.
                        C#        F# G#sus G# E
              In front of a changing bar.
                        F#G#susG#  E                       C#
              Don't be a shoot---ing star. Know where you are.

Solo          4x (C# G#m B F#)

              C#        G#m        B F#                    C#       G#m       B      F#
Verse 3        Unclas,     lighten up, or whatever you'd say. And I   could not blame ya.
                C#             G#m         B    F#        G#sus  G# E
              I sing because I care and I can't wait. To see just where you go.
                              C#      E    C#                    E
Chorus 3       And don't forget who you are. A spirit that shines so bright.
                        C#         F#G#susG# E        F#G#susG#  E
              No matter where you are         you're a shi-------ning star.
                    F#G#susG#   E            F#G#susG#  E              C#
              No matter where   you are, you're a shi-------ning star, yes you are.

Ending         2x (F#  G#sus  G#  E  C#sus C#, F#  G#sus  G#  E  C#)
